Love is Power

The holographic program **Love is Power** has been created to purify, cleanse and transform your personal energy field (physical, etheric, emotional, mental and spiritual) and consciousness to restore the highest vibration of love supported by the planet. It helps to cleanse your core cellular memories of all events and all timelines that caused you to move away from the purest vibration of love built into your original light code.

Your access to launch and execute this program has been enabled after your purchase and it will be installed for you as you listen to the recording. While the installation takes place, it is recommended that you notice your thoughts, feelings, emotions and any sensation you may experience. This way, you can gradually develop your skills to notice the flow of energy and information.

Installation instructions

Please listen to the accompanying recording to install the holographic program **Love is Power** for you. You only need to install the program once.

Activation

Activation Phrase: Apply Template Love is Power

You can execute this holographic program anytime by saying “**Apply Template Love is Power.**” The activation command brings in the vibration and the information matrix for “Love is Power” template described in this program. If you meditate, you can also keep repeating the activation phrase. The more you consciously apply the program, the stronger it gets for you and you get more used to interacting with the matrix Love is Power template creates.

When you activate this holographic program, it encloses your personal energy field with the information and light matrix it holds and remains active until the process is complete. You can run the program daily or as often as you would like to keep going deeper to release blocks, transform issues and integrate a higher vibration of love. Each time, the program matrix will stay active and work in the background even when you are not paying attention.

Description of Tasks

How to Use the program

- 1) Create a sacred space of neutrality and non-judgment by activating the Harmonic Shield around you if you have not done so already. You can launch it by using the command "Activate the Harmonic Shield". A free version of this Harmonic Shield can be downloaded by subscribing to Life Harmonized email newsletters.
- 2) Focus on your energy field (your physical body and four feet around you) and flush your personal energy field with sun light for a few minutes. You can do this by connecting with the sun (day or night) and visualizing the sun light going through you and cleansing your entire personal field. This is a very simple but extremely powerful exercise to do each day for a few minutes.
- 3) Launch the program by saying "Apply Template Love is Power"
- 4) Just sit quietly for at least 5 minutes while the template transforms patterns for you. If you meditate, spending about 30 minutes a week would be great and you can silently keep repeating the phrase "Love is Power" in your heart.
- 5) The process is now complete. Notice what starts to change for you and around you. Allow new options to show up for you. How long the program works each time you run it depends on how much can be released and transformed for that particular time. Do not doubt your ability to receive love by reviewing what has not worked in the past. This only creates interference.
- 6) Once you get used to noticing how the programs work with your personal field, you can run it anytime, even when you are really busy. The program will work in the background whenever you activate it.

- 7) The initial meditation is only for you to notice how the energy flows through you. Meditation is not necessary to use for any of the holographic tools or programs unless specified.

Please continue to activate the program as often as you would like. Even if you are not sensitive to notice the flow of information and energy at the moment, work with the holographic tools and programs and you will develop skills to notice more.

Thank you for helping us to raise our collective consciousness.
